Freezin' For a Reason!

It's that time of year once again, a time for us all to get together for some polar pleasure! Not familiar with our Annual Winter Carnival? Well it's one entertaining outdoor event you don't want to miss! Our miraculous morning begins with Dog Sled Races out on the golf course; Wood Splitting Contest... These guys are tough (and the dogs are too)! Make sure to check out the Dog Weight Pulls! Not to mention our fabulous family friendly activities! Bring the kids out to participate in Snow Art Contests, Water Balloon Launch, Turkey Bowling, and much more!

Now, moving along into our adventurous afternoon, for you fun loving adults, don't miss out on our King of the Mountain Contest, Newlywed Game and the ever popular Bunny Hill Bikini/Boxer Ski Races! (BRRR) Ever wonder just how many Hot Dogs you or your loved one could put away? Well we've got a cure for your curiosity! Join us for our Hot Dog Eating Contest! Sure to be interestingly and possibly grotesquely entertaining! Calling all manly, muscular men (and women) you'll be perfect for our Half Barrel Toss, come on, and show us what you're made of!

Entering into our enchanting evening, if you are looking to settle things down a bit, join campfire Kevin around the fire pit on the bunny hill for campfire sing-a-longs and marshmallow roasting. After dark, our spectacular ski staff is prepared to dazzle you with our beautiful Torchlight Parade, this truly is an event to remember.

Finishing up our fun filled day here at the Mountain, come to Mulligan's Bar N' Grill for live entertainment. This year Mulligan's Bar N' Grill proudly presents the magical musical stylings of Swif'Kick! Yes ladies and gentlemen, whether you are Wisconsin bred with that glorious thick skin to keep you safe from the bitter cold or you are from greener pastures and the slightest breeze sends you running for the covers, we have loads of fun for folks of all ages and from all walks of life. We'll see you Saturday February 4th for Christmas Mountain's Annual Winter Carnival!

Maintenance Update:

The maintenance team completed its first round of Maintenance Weeks before the holidays and is preparing for the next set. They will continue to do Maintenance Weeks through Spring.

- The holiday decorations were all placed out and some of the decorative lighting was replaced since last year.
- Three new dumpster enclosures and a few more summer kitchens with new charcoal grills were added to the resort.
- Repaired drainage issues throughout the property and the road repair by the 800's was completed.

As odd as it seems we are already working on the plantings for the upcoming seasons and have placed the order for flowers and plants.

Buzz of the Front Desk:

Every New Year we hear the words, resolutions, goals motivation. However, what do these words really mean to us here at the Front Desk. They translate into a time of renewing ourselves. Of looking at the past and taking what we saw and did and letting it spur us on to new levels of success, of creating the best experience for our owners and guests that we can and in how we are going to move forward both as a team as well as individuals.

The changes that have come to the front Desk meant us saying good bye to 2 members of our team that always brought us laughs and smiles. To taking a fresh look at how we do things and how we will move forward from here.

The benefit for our owners and guests that bring us at the Front Desk the greatest smile is the change in the amenity that is known as Wi-Fi. Wi-Fi is now FREE. You can access the internet in your unit, Registration Building, Mulligan's or the Clubhouse. As we move forward into this New Year, we are excited to see what it holds in store for us and all that call CMV our home away from home.
